International Conference on Innovative Research Practices and Intelligent Systems (ICIRPIS) – 2023

Date: 26th & 27th September 2023

Dr. D. Y. Patil College of Engineering
and Innovation, Varale, Talegaon,
Pune – 410507, Maharashtra (India)

About Institute:

Dr. D. Y. Patil Educational Federation's Dr. D. Y. Patil College of Engineering and Innovation (DYPCOEI) was established in 2014 by Hon. Dr. Sushant Patil under the able guidance of Padmashree (Dr.) D. Y. Patil, former governor of Tripura, Bihar and West Bengal and a well-known educationist and philanthropist from Kolhapur, Maharashtra.

Dr. D. Y. Patil College of Engineering and Innovation is a part of Dr. D. Y. Patil group. Dr. D Y Patil is the leading group in India imparting comprehensive education. The group is having 31 years of experience in education with 200 institutes across India and 4 universities in Maharashtra.

Dr. D. Y. Patil College of Engineering and Innovation has been approved by All India Council of Technical Education(AICTE) New Delhi, recognized by Government of Maharashtra (GoM) and Affiliated to Savitribai Phule Pune University (SPPU), Pune. The institute is offering four undergraduate programs: Computer Engineering, Artificial Intelligence-Data Science, Mechanical Engineering, Civil Engineering. Right from its inception, DYPCOEI has adopted Outcome Based Education (OBE) and Student-centric approach. Institute continuously striving to impart value-based education to elevate satisfaction level of all stakeholders, taking dedicated efforts to create competent professionals by effective teaching learning process with passion of lifelong learning attitude, promoting and supporting innovative research, entrepreneurship, development activities through Industry Interaction.

About Conference:

International Conference on Innovative Research Practices and Intelligent Systems (ICIRPIS) 2023 will provide a platform for researchers, practitioners and industry experts to share their knowledge, insights and research finding on the latest developments in new technology era. It will also act as a forum for participants to discuss and address the most pressing challenges in multidisciplinary engineering.

Accommodation:
