Domain Name and Hosting for students to upload their projects

Dear Dr. Adsul Ma'am,

Greetings from Elite Softwares

As we discussed, now to TE students in web development workshop we give them sub domain as studentname.workshop-es.co.in

Where in the link our college name is not mention anywhere, therefore I suggest we can go for our own college domain name for students projects uploading.

Example : www.dypefengineering.in

so when we create sub domain of any student it will create link as

studentname.dypefengineering.in

So students can create their own portfolio website as already they did,

They will upload on above mention link so it will more professional where college name is mention.

We can show these links on official website also this is one more benefit.

Upcoming all website or any other projects students will upload to their own sub domain name.

same domain name we can use for SE and for FE and for new batch students.

so please allow us to create domain name as dypefengineering.in

This domain Cpanel credentials will be at HOD so HOD or college can also monitor students projects.

There will be NO fees for domain name and hosting that expenses Elite Softwares will bare every year.

Any query please revert back :)

Day 1 (03/01/2022)

This year's induction program for the First-Year Engineering students was organized by Dr. D. Y. Patil College of Engineering and Innovation, Varale from 3rd Jan 2022 to 7th Jan 2022. The students along with their parents reported to the college on 3rd January 2022. All the students were onboarded comfortably. The Department had arranged all the required facilities for the students staying near and far. Hostel arrangements were provided to the students the same day, and all were set for day two of their college life which indeed did begin on a high note.

Day 2 (04/01/2022)

The induction program was inaugurated by Hon. Principal, Dr. Suresh Mali which paved the way off to a grand start to the induction program. As light symbolizes knowledge and darkness – ignorance, our leaders thus started the induction event with the lighting of the lamp which embarked a new start to the beautiful college life of our dear students. The lighting of the lamp was followed by the Institutional Presentation by our leader Dr. Suresh Mali (Principal of DYPCOEI).

After that, a training and placement presentation was conducted by Dr. A. P. Adsul (TPO, DYPCOEI, Head of the AI-DS Department) due to which students were able to clearly understand their bright future which Dr. D. Y. Patil College of Engineering and Innovation crafts for them.

Coordinator) gave the students practical insight into the course. The students were then given a break of an hour.

Post the break session it was then time for the Departmental Presentations which was led by Prof. D.D. Mondal (Head of the Department).

Post that the University Curriculum and Examination Pattern were explained by Prof. Ravindra Daspute (Head, Department of Mechanical Engineering).

Now it was time for some ice breakers, fun events were carried out by Prof. Akshay Bagal and team, which energized the students and attracted them. It was then time to call it off for the day.

It was then time to kick off Day 3 as the students arrived well in time; to start the event Mr. Bhagwan Bhosle Incharge Manufacturing EV, TATA MOTORS, conducted a presentation on Career Opportunities - Things to do, he shared his profound knowledge with the students which inspired each one of them to set their goals for the existing career opportunities in the society. The session was coordinated by Dr. A. P. Adsul, TPO). The students were pumped up as it was finally time for the campus visit. Respective faculties led the students with a detailed walkthrough of the campus and attracted all the students.

The students then were given an hour's break. Post the break Mr. Sandeep Koli and Mrs. Sarika Patil (Yoga Trainers, Manodnya Yoga, Pune)) took a refreshing session of Yoga and presented the Art of Living. To end the day Prof. Akshay Bagal and team, led the fun events session.

Day 4 (06/01/2022)

To start day 4 of the Induction program Mr. Kedar Vilas Taskar, took the Communication and Soft skill: Need of Corporate World session his practical view on the same was well received by the audience. The second session was taken by Prof. Ahilya Narsale, DES about Mentoring and Human values, she shared her valuable insights on core human values and mentoring ethics.

The students were then given an hour's break. In the light of a great yoga session conducted on day three, it was again time for an astonishing and renovating yoga session which was led by Ms. Sarika Patil and Mr. Sandeep Koli (Yoga Trainer, Manodnya Yoga, Pune). A session was taken by Prof. Vishal Chaugule on engineering mechanics. To end off day 4 on a pleasant note Sports and fun events were conducted by Prof. Rohit Walmiki, Sports Teacher, DYPEF. It was coordinated by Mt. Atharva Kulkarni, DME. Outdoor games like Box-cricket and Dodgeball were played.

Day 5 (07/01/2022)

The final day of the five-day induction program had a lot of offerings for the students as it unfolded. Introduction to the first-year engineering subjects and syllabus was given by the respective subject teacher of the department which was comprised of three sessions before the break and two sessions after the break. Students could interact and resolve their preliminary ambiguities regarding the subjects. Post which Prof. Ahilya Narsale, DES gave the event feedback and shared her thoughts about the event. A Covid-19 vaccination drive was conducted by Dr. D. Y. Patil College of

Engineering and Innovation. To finally end the astounding induction program, fun and Sports events were conducted by Prof. Akshay Bagal and team. It was followed by much awaited prize distribution ceremony.

The Program was later addressed by Prof. R. Y. Daspute & Dr. Manav Thakur who welcomed students to DYPCOEI Family.

Respected principal sir shared Institutional Presentation along with various Institutional guidelines for DSE Students. Sir focused on developing students skills which include learning, planning, team work and even presenting what you've learned and planned.

- The goal of engineering education is to train engineering graduates well in branch of admission, have a holistic personality and must have desire to serve society and nation.
- It is expected that an engineering graduate work for solving the problems of society using the modern technologies and practices.
- That needs the broad understanding of the society and relationships. It is needed to cultivate the human values in engineering graduates to fulfil his responsibilities as an engineer, a citizen and a human being.
- Considering the various social backgrounds and whether a student comes from the urban or rural areas they differ in many of the life skills and their abilities and thinking.
- It is necessary to create an environment for urban or rural areas students so that they feel comfortable, find their interest and explore their inner beings, create bonding with other students, establish relation with teachers, work for excellence, get a broader view of life and practice human values to build characters.
- The Induction Program covers the various activities which enables them to overcome all such issues and motivates them to perform well in their academics and get positive approach towards their career.

Session on Communication and Soft Skills Session: Need of Corporate World was scheduled on 28/12/2021 which was addressed by **Dr. Madhura Jagtap** (D Y Patil International University, Akurdi. Director – School of Skills Development & COE – Controller of the Examination). She briefed students with following important skills required in students to enter corporate world

- Importance of Communication Skills in Corporate World
- Importance of Writing Sills (Report Writing)

4.00PM to 6.00 PM TE

Mode of Conduction : Online (Zoom)

Speakers: Mr. Prasad S. Sase

(Founder & Proprietor of N Infinity Engineering Academy)

Students Attended : 39 SE Students & 60 TE Students

Type of Activity : Training and Placement Activity

Objectives : 1. To know the concept of JAVA language.

2. To furnish students with industrial JAVA language requirements.

Summary of the Activity/Event:

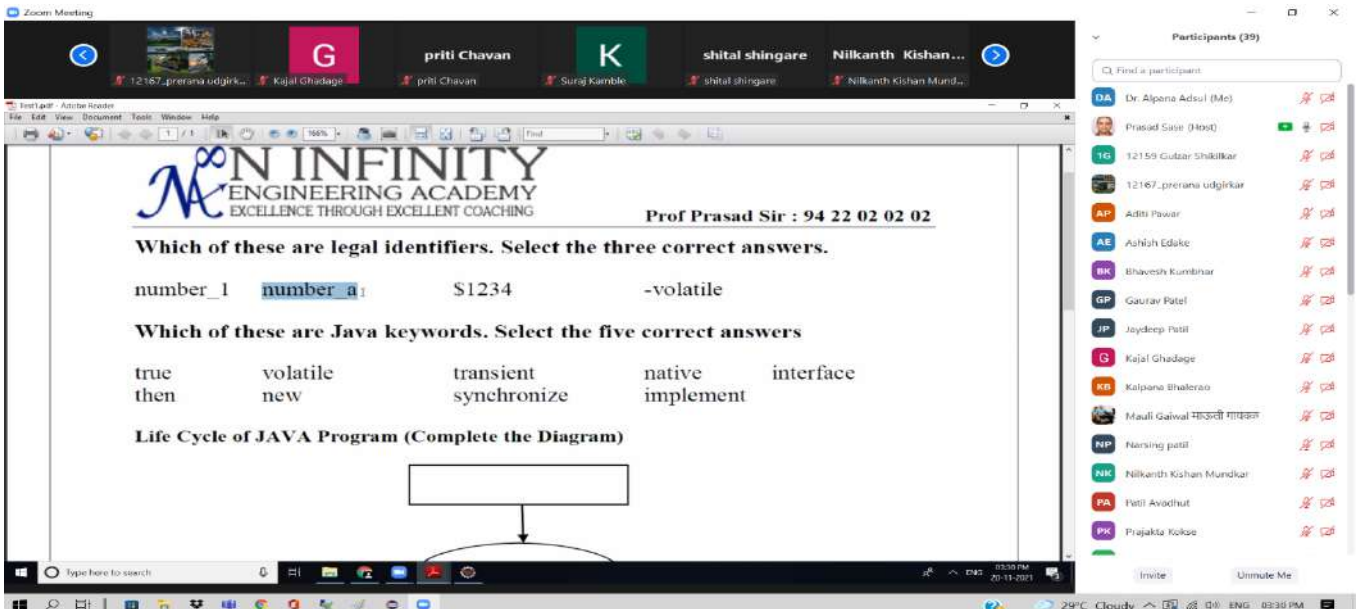

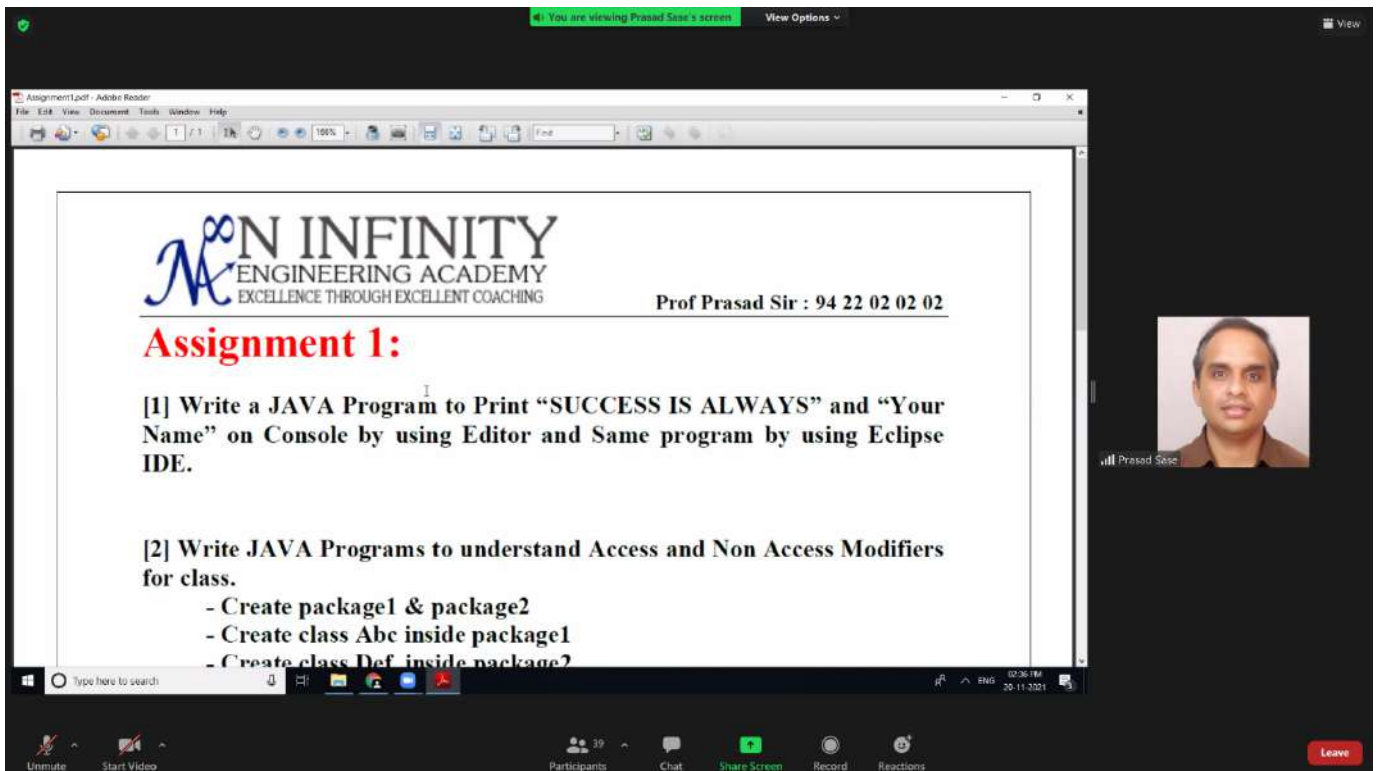

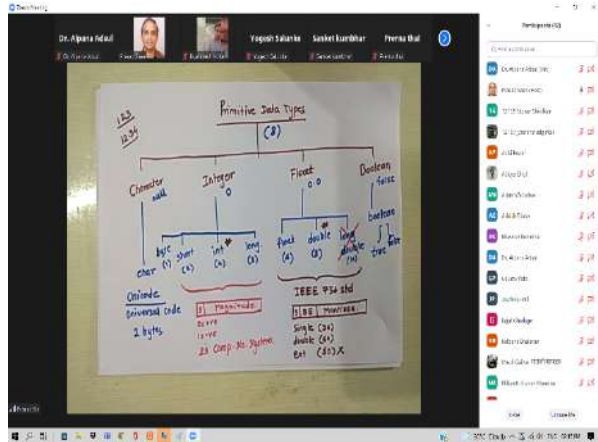

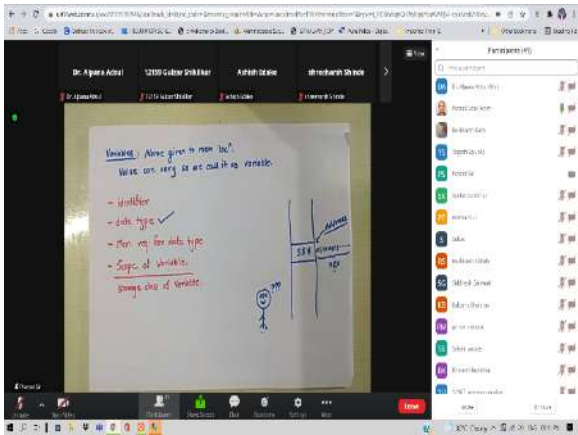

In this program Mr. Prasad S. Sase discussed with SE & TE Computer students as below;

- He took separate session for second year and third year students
- He started with a recap of previous session topics covered.
- In the beginning he discussed about data types in Java; like Primitive data types
- Further he explains with some example sizes data types like character, Integer float and double.
- He took six assignments hands on like display messages on console, Access and Non-access modifiers etc.
- Students asked different queries based on it.

Outcome:

- Students understood data types in JAVA.
- Students learned hands-on with JAVA.

Report on 2 Days Workshop on Aptitude & Soft Skills (A.Y. 2021-22)

Day & Date: 01st & 02nd June 2022 (Wednesday & Thursday)

Time: 09.30 AM to 04.30 PM

Mode of Conduction: Offline

Venue: Seminar Hall

Speakers: Mr. Abhishek Wakodkar

(Aptitude & Soft skills Trainer)

Students Attended: 109 SE Students

Type of Activity: Training and Placement Activity

Objectives:

- ✓ To give awareness about the importance of aptitude and enhance problem-solving skills, improve basic mathematical skills, and to help students from a placement point of view.
- ✓ Develop effective communication skills (spoken and written).
- ✓ Develop effective presentation skills.

Summary of the Activity/Event:

Training and Placement Cell has organized a Two Days Workshop on Aptitude and Soft Skills in association with iTpreneure for Second Year Engineering students. Total 109 students were present for the workshop. The session began with a welcome note by the Training & Placement Officer Mr. Vipul Mahindrakar. He introduced the students to the agenda of the workshop & the necessity of understanding & clearing the aptitude test in order to be eligible for campus interviews. The session proceeded with Principal Dr. Suresh Mali's speech. He motivates the students and informs them about the SMART goal step process. The acronym stands for the words "specific," "measurable,"

“achievable,” “relevant” and “time-bound,” which are essential traits of setting objectives.

The session proceeded with speaker Mr. Abhishek Wakodkar's speech. He address the gathering and shared his life experiences. During 2 days' workshop Mr. Abhishek explained to the students the difference between maths & quantitative skills. He also explained to students, the actual meaning of Aptitude test & quantitative test. Also he guided on Soft skills. When he asked the students about their fright from Maths, almost entire crowd raised their hands. He then quoted some simple examples to demonstrate the students that if correct techniques are applied how a difficult question can be solved by simple calculation. He also pointed out on the important topics to be covered like profit & loss, percentage etc. before appearing for the aptitude tests to score well. Towards the conclusion, the speaker gave some quantitative problems to the students for solving and asked students to share their life experiences.

The session was well appreciated by the students and they also demanded for more such sessions. The session ended with the Thank You note by the Training & Placement Officer.

Outcome:

- ✓ Students are aware of the importance of the Aptitude Test. And they are geared to enhance problem-solving skills and basic mathematical skills from a placement perspective.
- ✓ Students are aware of best practices to be followed to face interviews.

Subject: Invitation as a Resource Person for the 2 Days Workshop on "Aptitude and Soft Skills"

Respected Sir,

Dr. D. Y. Patil College of Engineering and Innovation was established in 2014 as a part of Dr. D. Y. Patil Educational Federation and Dr. D. Y. Patil Group with the objective of providing quality education and build research culture through innovation, integration and internationalization. The institute is approved by AICTE and is affiliated to Savitribai Phule Pune University. The institute runs undergraduate engineering courses in Computer Engineering & Artificial Intelligence and Data Science disciplines.

Courses at Dr. D. Y. Patil Educational Federation are designed to equip students with skills to meet the challenges and opportunities of the corporate world. Our value-based learning model provides a transformational experience that fosters professional, intellectual, and personal development.

In order to keep our students conversant about current industry needs from a placement perspective, we call eminent personalities from industry to enlighten students about the same. So, I would like to invite you to conduct a Two Days Workshop for our engineering students about "Aptitude and Soft Skills" on 01st and 2nd June 2022.

So kindly accept this invitation and do the needful.

Best Regards,

Dr. S. N. Mali

Subject: Invitation as a Resource Person for the 2 Days Workshop on "Aptitude and Soft Skills"

Respected Sir,

Dr. D. Y. Patil College of Engineering and Innovation was established in 2014 as a part of Dr. D. Y. Patil Educational Federation and Dr. D. Y. Patil Group with the objective of providing quality education and build research culture through innovation, integration and internationalization. The institute is approved by AICTE and is affiliated to Savitribai Phule Pune University. The institute runs undergraduate engineering courses in Computer Engineering & Artificial Intelligence and Data Science disciplines.

Courses at Dr. D. Y. Patil Educational Federation are designed to equip students with skills to meet the challenges and opportunities of the corporate world. Our value-based learning model provides a transformational experience that fosters professional, intellectual, and personal development.

In order to keep our students conversant about current industry needs from a placement perspective, we call eminent personalities from industry to enlighten students about the same. So, I would like to invite you to conduct a Two Days Workshop for our engineering students about "Aptitude and Soft Skills" on 01st and 2nd June 2022.

So kindly accept this invitation and do the needful.

Best Regards,

Dr. S. N. Mali
