Our Inspiration

I am very proud to share that our College under D. Y. Patil Education Federation (DYPEF) is one of the most eminent Higher Educational Institution today and is renowned for standards of its Faculties, Students and Alumni. It is constantly pushing the frontiers of knowledge and ensures the futuristic approach that keeps pace with the changing trends of the professional world

Padmashree (Dr.) D. Y. Patil Founder of DYPATILEF, Pune.

From Presidents Desk

DYPEF nurtures the students with innovative teaching-learning atmosphere well equipped with state of art infrastructure and strong academic and administrative systems. We trust in serving the society through quality education that empower us to generate quality human resources. We believe that education should foster confidence, discipline, clarity in thought and decision-making ability to set and achieve goals, and above all, social responsibility as a life-long process.

Dr. Sushant Patil, PhD, MBA, LLB, BSL
President of DYPATILEF, Pune.

From Secretary Desk

We strongly believe that every young mind is to be moulded in a way best suited with the best skills that individual has and to bring out the best in him/her. To discover the hidden talents of students and to bring out their innovative best.

Mrs. Anuja Patil, BSL LLB, LLM, B.Ed
Secretary of DYPATILEF, Pune.

From Executive Director Desk

DYPEF campus, a temple of learning and a hallmark of discipline, treads towards the pinnacle of glory by providing quality education to meet the global standards. The organization is one of the most eminent Higher Education Institutions today, and it is renowned for the standards of its teaching methodology, facilities and students.

Mr. Vidyanand Mankar, B.Com, D. C. M., Oracle B++
Executive Director of DYPATILEF, Pune.

From Principal Desk

We at DYPCOEI are continuously striving to impart value-based education to elevate satisfaction level of all stakeholders. We all are ready to Take dedicated efforts to create competent professionals by effective teaching learning process with passion of lifelong learning attitude.

Dr. Suresh Mali, Ph.D., M. E. (Computer Applications)
Principal, DYPCOEI, Pune.

Vision

To achieve excellence in quality education through value based rapidly changing technologies and create technical Human-Resource with proficiencies of accepting new challenges.

Mission

- M1** *Continuously strive to impart value-based education to elevate the satisfaction level of all stakeholders.*
- M2** *Take dedicated efforts to create competent professionals by effective teaching learning process with passion of lifelong learning attitude.*
- M3** *Our endeavor is to promote and support innovative research, entrepreneurship and development activities through Industry Interaction.*

INTERNSHALA ANNUAL RANKING 2025

Internshala Annual Rankings (also promoted through *Internship Day*) is an initiative by **Internshala** — one of India's largest internship and career platforms — to acknowledge and honour colleges that help their **students secure the highest number of internship selections from 1st January 2025 to 31st December 2025.**

Rankings are awarded at **national, zonal, and state** levels based on the number of internship selections.

Dr. D. Y. Patil College of Engineering and Innovation, Varale Campus secured **All India Rank 431** among 600+ college participated in Internshala Annual Rankings for the year 2025.

We appreciate the efforts of **Prof. (Dr.) Alpana Adsul**, Head of Computer Engineering to help students secure internships.

FOP on **“Object Oriented Programming”** Organized by Dr. Vitthalrao Vikhe Patil College of Engineering, Ahilyanagar on 30th January 2026.

Workshop

AI & INNOVATION SPRINTS: ACCELERATING DIGITAL TRANSFORMATION THROUGH RAPID PROTOTYPING

The Department of Artificial Intelligence and Data Science, successfully organized a One Day Workshop on **“AI & Innovation Sprints: Accelerating Digital Transformation through Rapid Prototyping”** by Mr. Ashok Patil, CEO and Head, Dr. Sushant Patil Startup and Incubation Centre on Thursday, 08th January 2026.

Workshop on “AI & Innovation Sprints: Accelerating Digital Transformation through Rapid Prototyping” by Mr. Ashok Patil, CEO and Head, Dr. Sushant Patil Startup and Incubation Centre on 8th January 2026.

More than 40+ students from the AI & DS Department actively participated in the workshop. The session aimed to equip participants with practical knowledge and hands-on experience in leveraging AI tools and innovation sprint methodologies to rapidly ideate, prototype, and validate digital solutions for real-world problems. The workshop provided valuable exposure to structured innovation frameworks and modern prototyping approaches.

Expert Session

EMBRACING SUSTAINABILITY

The Department of Computer Engineering organized an expert session on “Embracing Sustainability” delivered by **Mr. Bhagwan Bhosale, Deputy General Manager at Tata Motors Ltd., Pune**. The session focused on the importance of sustainability in today’s industrial and technological landscape.

Prof. (Dr.) Alpana Adsul, Head of Computer Engineering felicitating Mr. Bhagwan Bhosale, Deputy General Manager, Tata Motors Ltd., Pune on 14th January 2026.

The objective of this expert session was to create awareness among students about sustainability practices in the automotive industry and to highlight how leading organizations like Tata Motors integrate sustainability into their operations. The session also aimed to motivate students to build successful careers while being socially and environmentally responsible.

Mr. Bhagwan Bhosale explained how Tata Motors supports sustainability through eco-friendly manufacturing processes, energy conservation,

waste management, and strong Environmental Health and Safety (EHS) practices. He motivated students to align their career goals with sustainable thinking.

Mr. Bhagwan Bhosale, Deputy General Manager, Tata Motors Ltd interacted on embracing sustainability on 14th January 2026.

Tata Motors has a robust sustainability strategy that integrates decarbonization, circular economy principles, and the preservation of the natural environment with initiatives aligned around key themes. Tata Motors is committed to becoming a leader in sustainable mobility and actively works towards making a positive impact across all 17 Sustainable Development Goals (SDGs). The company's Business Responsibility and Sustainability Reporting (BRSR) is in conformance with the Securities and Exchange Board of India (SEBI) listing obligations, ensuring consistency and comparability in its core indicators.

Students gained practical industry insights into sustainability practices and understood the importance of balancing career growth with environmental responsibility. More than 120+ students attended the session.

AI IN ACADEMIA

The Department of Computer Engineering, Dr. D. Y. Patil College of Engineering and Innovation successfully organized an expert session titled **“AI in Academia”** by Mr. Ashok Patil, CEO and Head, Dr. Sushant Patil Startup and Incubation Centre on 16th January 2026 with the aim of creating awareness about the transformative role of Artificial Intelligence in the field of education, teaching–learning processes, and academic research.

Expert session on “AI in Academia” by Mr. Ashok Patil, CEO and Head, Dr. Sushant Patil Startup and Incubation Centre on 16th January 2026.

The speaker also emphasized ethical considerations, academic integrity, responsible use of AI, data privacy, and the limitations of AI systems. Students actively participated by asking questions related to AI usage in assignments, examinations, and research work, making the session highly interactive and insightful more than 80+ computer engineering students attended the expert session.

EFFECTIVE PROMPTING TECHNIQUES FOR LARGE LANGUAGE MODELS (LLM)

The Department of Computer Engineering, Dr. D. Y. Patil College of Engineering and Innovation successfully organized an expert session titled **“Effective Prompting Techniques for Large Language Models (LLM)”** by Mr. Ashok Patil, CEO and Head, Dr. Sushant Patil Startup and Incubation Centre on 24th January 2026. with the objective of familiarizing students with modern AI tools and enhancing their skills in interacting effectively with Large Language Models.

Expert session on “Effective Prompting Techniques for Large Language Models (LLM)” by Mr. Ashok Patil, CEO and Head, Dr. Sushant Patil Startup and Incubation Centre on 24th January 2026.

The session was interactive, with students actively participating by experimenting with prompts and discussing real-world applications of LLMs. Ethical considerations, limitations of LLMs, and best practices for responsible AI usage were also highlighted more than 60+ computer engineering students attended the expert session.
